Hi there, I'm Nakaji

It's been about 1 year since my last comic. Something after a long time (Without forgetting me~~ it's a feeling)

BRAN' NEW come from the colloquialism "maatarashii" which means BRAND NEW so it's a significant title. After this, the way in which they will grow is unknown (I still haven't decided weee(). It's Haruka and Kakeru's tale. Please watch over it. Please do.
